The school provides a perfect atmosphere for nurturing talent, cultivating skills and maintaining values of life. Delhi Public School is prestigious Institute in the field of education. Our mission is to make quality education accessible to the new generation who are the future of the our country. Our intention is to make school a very special community where staff, students and parents work together for the optimum development of the child.

Shri Arun Poddar
Chairman, B. P. Poddar Group

Delhi Public School Kashi has been gradually carving out a name for itself in the field of education in the region. The combination of scholastic as well as co-scholastic education in the school helps in the better growth of a child. The mission of Delhi Public School Kashi is to meet the requirement of the times and face challenges to work for all human kind, which would determine the country's future. I wish Delhi Public School Kashi my best so that, it achieves great success in its future endeavours too.

Ms. Vrinda Sarup, IAS (Retd.)
School Managing Committee, DPS Kashi

Welcome to Delhi Public School-Kashi

DPS Kashi has been growing from strength to strength both in academics and extra-curricular activities. A record number of students of classes X and XII are securing 90% and above marks in AISEE / AISSCE consistently. 66% of our students have got more than 80% marks in CBSE board exams. Our students have secured admissions in renowned universities in India like Delhi University, IIT Varanasi, BHU, BIT, top colleges of Delhi University etc. Our students are being placed in renowned universities of India & abroad. They are pursuing degrees in the field of technology, medicine, chartered accountancy, architecture, law, fashion and interior designing to name a few. We try and inspire our students through various inter and intra school activities & competitions. With events like the scholar badge function, sports day, winter carnival and umpteen inter house competitions, we try and build life skills and encourage out of class learning too. I hope all our students, parents and teachers will continue their hard work to ensure the best future for each student. I wish all our young ones the very best in their future.

Shri Ayush Poddar
Pro Vice Chairman & Director, DPS Kashi

We aim to create safe, caring, conducive learning environment and appreciate each of our students as the unique individual that they are, each with distinct talents, interests and needs. School develop in each of our students an inquisitive mind, a desire for knowledge and a set of skills whether it is linguistic, mathematical, scientific, artistic, physical, emotional and social. Education paves the path to knowledge and knowledge leads to wisdom. We use innovative techniques, rich resources, proven instructional strategies and engaging programs to promote student learning. Wholesome participation is encouraged in the extensive range of extra-curricular activities and care is also taken to ensure the well-being and happiness of each and every student in the school. The DPS tradition happily brings together sound academic achievement with extensive and vibrant co-curricular activities. School not only inculcate social and moral values but also and instils compassion for nature, pride for culture & tradition and make them good human beings and responsible citizen. The school is run by the well establish management which has offered a wide range opportunities that are structured to promote excellence, confidence and self esteem in every child. We reaffirm our commitment of introducing progressive trends in teaching and shall constantly endeavour to achieve benchmarks in imparting quality education.

“Intelligence plus character—that is the goal of true education.”

Martin Luther King, Jr.

The Spirit of DPS-Kashi

Delhi Public School with more than 202 branches all over India and abroad, is a name to reckon with, in the arena of education. It is synonymous with providing quality education, encouragement in co-curricular activities, a sharp inclination towards sports and also in inculcating a sense of responsibility towards the society.

Our school is characterised by the following guidelines:

Educating the heart- Preparing global citizens and agents of social change committed to humanistic values and democratic traditions.

Educating the mind and the body- With the aid of life and academic skills, education is imparted through individualized integrated learning programme in tune with international standards of excellence.

Creating a caring learning environment- Providing joyful, disciplined, secular learning environment led by a talented pool of role model faculty, backed by a world class physical infrastructure.

Healthy & serene environment:

DPS Kashi strives to be a school with a difference - where the emphasis lies not only in garnering academic excellence but to create a stimulating ambience which would usher in the blossoming of body, mind and soul of the child, enabling him/her to culminate into a complete individual. Here efforts are put into making the environment student friendly, where learning becomes a joyous experience. There are spacious and airy classrooms with proper furnishing, fully equipped laboratories & a well equipped library. The solitude of the surroundings will sprinkle peace and calm into the lives of the children who would come to study-at DPS Kashi.

Inculcating social & environmental consciousness:

The Students right from Nursery are taught to develop a feeling of empathy, so that they inculcate a consciousness towards their environment & society on the whole. Students from time to time have taken up projects on growing trees, saving our earth from pollution, saving Ganga, help removing the system of beggars, preserving electricity & water to name a few.

Educational triangle:

The contribution of Teachers, Parents and Students are immense in the field of education. If any one pillar is missing in this educational triangle, then the process of education gets hampered. Thus, in order to give it strength & support, we organize Parent Teachers Meet at the end of every term, where in, the parents

Attributes of DPS-Kashi

Practice leads to perfection:

We believe in stress free education, for which we have developed our system of having 5 days a week with the provision of extra classes for those students who are found weak in a particular subject. To assist such students, the teachers adopt special techniques and methods, with utmost care to help the children come at par with their classmates without being over burdened or feeling embarrassed in any manner possible.

Developing affinity with our rich cultural heritage:

We, at DPS Kashi emphasize a lot on our Indian values & culture. We teach our students to be secular at heart, scientific in mind & respectful in behavior. We encourage them to chant the vedic hymns, read the Gita, recite Shabad & praise Allah.

interact with the teachers & try to analyze the problem areas of their ward. Parents are also invited to various programmes frequently to witness the progress of their wards. This co-ordination among the teachers & parents helps the child to address their respective and particular problem areas.

Facilitating students in various co-curricular activities:

DPS Kashi strives for an all-round development of our students. From time to time, our students are sent to various competitions across India to participate in the fields of Art, Music, Culture & Sports amongst others.

Learning by doing:

At DPS Kashi, every teacher tries to be facilitator of learning as friend-philosopher-guide to children, helping them to learn something by self experience & not by rote method. In our school, children of even nursery & prep are taken to the vegetable fields & kitchen garden to learn about science in our day to day life. The students are given various projects to be made for different subjects, focusing on various areas for multifaceted learning and experience.

We believe in the saying - "A good teacher is one, who does not ask questions which children do not find easy to answer, but is the one who inspires children to ask questions, which the teacher finds difficult to answer".

Evaluation:

The school follows the evaluation guidelines and pattern of CBSE to bring uniformity in the assessment pattern. There is a lot of stress on lab activities, project work, field visits. It is carefully ensured that a student is evaluated as per guidelines of CBSE so that there is objectivity also to ensure fairness. Feedback is send to parents in form of online Report Card as well school organizes Parent Teacher Meet for different classes in school campus following Covid 19 prevention protocol.

Student Facilities

DPS Kashi - Academic Facilities

The school is built over an area of about 10 acres of land on Varanasi-Jaunpur-Lucknow Highway. The building is set amidst picturesque fields providing open space and fresh air giving it a wholesome ambience necessary for a child's all-round development. The school boasts of its characteristic facilities like:

A Variety of Subjects- Students at the +2 level can choose from an array of subjects such as-English, Hindi, Physics, Chemistry, Biology, Computer Science, Mathematics, History, Geography, Physical Education, Informatics Practices, Economics, Business Studies, Political Science, Accountancy, Yoga and Music-Vocal & Percussion .

Science Laboratory- Future lies with scientific inventions and innovations. Therefore we at DPS Kashi, motivate our students to convert their imaginations into realities by providing all possible aids and instruments for their practical learning, under able supervision. The school has Physics, Chemistry & Biology laboratories of international standards.

Computer Laboratory- The school has a well-equipped computer lab where students are taught the latest developments in computers, under the able guidance of trained teachers. Besides their curriculum, use of IT for non-academic purposes is also taught to the students.

Library- Students can avail of an enriched library consisting of books from different streams of knowledge. Besides periodicals, students also have access to a larger number of encyclopedias & reference books. Our library is also equipped with a variety of teaching aids, charts, latest CDs and multimedia kits to enable the students to co-relate their theoretical concepts with visual effects.

Activity Room for Junior School- This is a special room for the small children, where, through various aids and play equipment, children learn various skills and enjoy learning through activities in the play way method.

Music and Dance Room- Special emphasis is laid on training the children in Indian classical music and dance forms. They are taught to play various musical instruments.

Art Room- This is a room where children give shape and colour to their aesthetic imaginations. An experienced art teacher helps students to learn various art forms and handicrafts.

Smart Class Rooms- This is to enable the students to have computer-aided learning with the help of the designed capsules from the syllabus. It helps the students understand the subject in a more refined way with audio and visual aid making, learning more interactive and engaging.

Open Air Theatre- A unique concept of open air theatre enables the students to present themselves in front of the crowd with aplomb and helps them in overcoming stage fear and shyness. We in DPS Kashi believe that consistent stage exposure leads to confidence building and enhances one's personality traits.

Sports Facilities- Sports at DPS Kashi is not considered as a substitute or refreshment after studies. It is rather a continuous process at the school to identify and develop a student's talent by providing adequate facilities for indoor & outdoor sports. The existing facilities include a swimming pool, basketball court, football and hockey ground, badminton court, volleyball court, and lawn tennis courts with a running track. Table tennis, carom and chess along with other various games are also provided.

Karate and Yoga- Feeling the necessity of self defense, special classes of karate are arranged in the school campus, where state level instructors train the students in martial arts. Equally important is the world-acclaimed art of yoga, which teaches the students about self-discipline, power of concentration and meditation.

Socially Useful Productive Work (SUPW) - A variety of SUPWs such as pottery making, carpentry, cooking & baking, handicrafts and gardening apart from creative art, music, dance, IT, martial arts, maths & science are offered to all students from Class III up wards. These help them to discover & nurture talents outside the classroom.

“Purity of personal life is the one indispensable condition for building up a sound education.”

HOSTEL: A HOME AWAY FROM HOME

Life in a hostel means a whole panorama of experiences that span from making 'friends for life' to gaining the confidence to face life independently and enthusiastically. We have laid a lot of emphasis in creating a warm, dutiful, invigorating yet fun filled environment in our separate boys' and girls' hostel that truly makes it a home away from home.

Boys' & Girls' Hostel

The hostel facility at present is available for boys and girls from class I-XII. The hostel is Air Conditioned with spacious and well-furnished rooms. Experienced wardens are there to look after the hostel students.

Medical help and security is available 24 hours. A counsellor and teachers are there to help sort out all student related problems. The teaching staff & resident staff take a personal interest in each boarder's progress and guiding, advising and encouraging them as required. The ambience of the hostel is one of pure youthfulness and unadulterated innocence, with students from all corners of India and abroad coming together to stay under one roof.

The hostel students follow a prescribed schedule in order to bring about discipline to create a healthy routine for a lifetime. The day is well balanced with the correct proportions of exercise, school classes, hobby activities, evening tutorials, sports & indoor games, timely meals and recreational activities. Apart from their daily routine there are outings, picnics, and excursions along with celebration of festivals in the hostel. This brings a sense of belonging and unity amongst students.

PLEASE NOTE: For Foreign students there is an option for a foreign language (French), special arrangement for meals, convenient air bookings, extra coaching classes along with existing extracurricular activities.
